**Project Description Summary**  
Florence County would like to rehab a 4900' section of trail F2 starting at Jct.18 (45.895563,-88.277231) and ending at Jct.19 (45.894761,-88.293545). This trail is part of the C6 trail and is open year round to ATV/UTV and Snowmobile. There is a great deal of traffic that uses this trail and is in need of repairs. There are washed out hill sections with large trenches and exposed rock and eroded trail surfaces. These trails haven't been part of any rehab since they were developed in the early 2000's. We will place 1280 yards of gravel 6" and 470 yards of crushed ore 6" to restore this to approved trail standards. A dozer, grader, and tractor w/wobble wheel compactor will be used to rehab this to its former condition. We are asking for 80% (\$21875.37) funding from the ATV/UTV Program and the remaining 20% (\$5468.84) from the Snowmobile Program as this does provide a benefit to this dual use trail.

I certify that all maintenance land use agreements are on file.
