

Motorized Recreation Grant Application

For: (choose all that apply)

Form 8700-159 (R 02/2024)

Due Date: April 15

ATV/UTV Trail Aid

Snowmobile Trail Aid

Notice: Completion of this form is required under Wisconsin Statutes 23.09(26) and 23.33. Failure to complete this form will result in denial of financial assistance. Personally identifiable information found on this form is not intended to be used for any other purpose. The Department of Natural Resources (DNR) may provide this information to requesters as required by Wisconsin's Public Records law {ss. 19.31 – 19.39, Wis. Stats.}.

Instructions: Applications may combine more than one source of funds. They may be submitted for consideration of traditional ATV, UTV, Snowmobile and Motorized Stewardship funding. Submit one copy of all forms and attachments. See Page 2 for necessary attachments. Send applications to your [Community Services Specialist](#).

Project Title Dane County Trail Maintenance					Current Funded Miles 407.8	New Miles (if applicable) 2.96
County Dane	Township N	Range ○ E ○ W	Section ¼ ¼	¼	GPS Coordinates: Lat. _____ Long. _____	

Project Description Summary

Dane County Parks requests funding to maintain 407.8 miles of approved snowmobile trails within Dane County.

Prairie Riders is requesting 1.45 new miles for club trail #31, which is a continuation of the funded Columbia County trail #31 into Dane County. Utica Nora Rockdale Trailblazers is requesting 1.51 new miles for club trail #27, which connects the Glacial Drumlin Trail to trail #15.

Mt. Vernon Valley Riders is requesting one new bridge (to replace culverts) on trail #21 and one replacement bridge on trail #48. In addition, they are requesting a replacement bridge in Green County, on trail #21. Dane County Parks administers the maintenance funds for this trail into Green County but does not have the authority to oversee a capital development project across Dane County lines. Dane County supports funding of that bridge replacement through Green County's application.

I certify that all maintenance land use agreements are on file.

Estimated Cost

Maintenance \$122,340.00	Acquisition	Insurance	Development	Bridge Rehab. \$120,000.00	Trail Rehab.	Total Estimated Cost \$242,340.00
Leave Blank – DNR Use Only						\$60,000

PROPOSAL

December 29, 2023

To: Dane County Snowmobile Trail Administrator

Re: Snowmobile Bridge Budget

- 1 - **40' x 12' (clear width)** steel truss bridge
 - Design Standards: **AASHTO**
 - Diagonals per Panel: **1**
 - Clear width: **Inside face structural elements at deck level**
 - End Vertical: **Square**
 - Bearings: **Equal Elevations**
 - Steel Grade: **A588/A847 (Unpainted self-weathering)**
 - Deck: **#1 Southern Yellow Pine (.40 MCA)**
 - Safety Rails: **Horizontal (4" opening)**
 - Installation: **Steel piling abutments**
 - Loads: **85 psf live load - 35 psf wind load – 25,000 lbs. vehicle load**
 - FOB: **Dane County, WI**
 - Engineered Drawings State Seal: **Wisconsin**

Price-----\$60,000

• Structure (Steel Truss)	\$32,000
• Structural Engineering	\$4,000
• Soil Testing	\$0
• Site Prep	\$5,000
• Abutments	\$12,000
• Labor	\$5,000
• Rip Rap	\$2,000

This proposal can be applied to all three (3) potential bridge replacements for the 2024-2025 snowmobile season.

*****This price is for budgetary purposes only*****

Please call with any questions.

RIDING INTO ANOTHER COUNTY?

Trail hot-line numbers are listed on the margins of this map for all adjacent counties

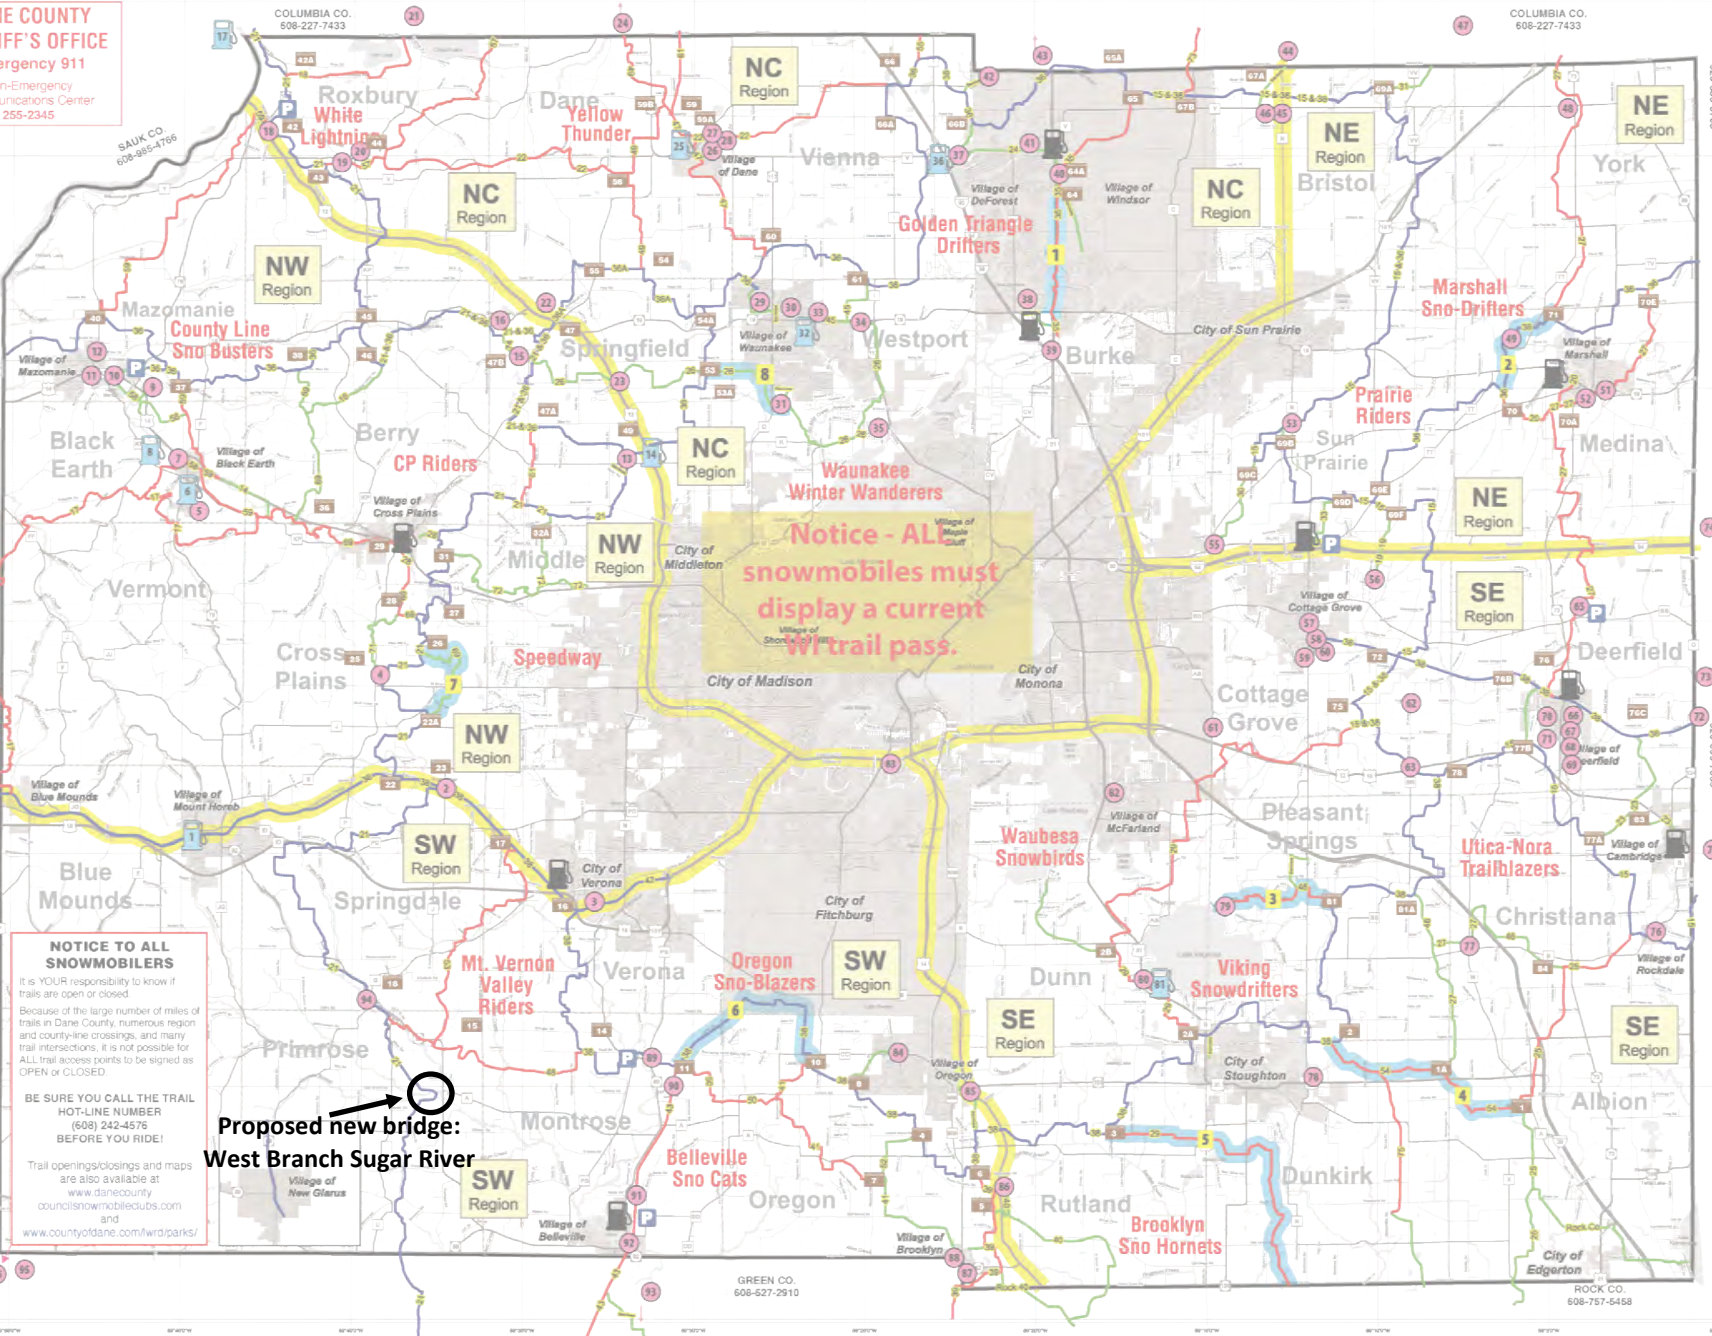

WisDOT Park & Ride Lots in Dane County

Dane County has several Wis DOT Park & Ride lots, and four are located with easy trail access. Wis DOT officials have informed us that usage of these lots by snowmobilers would be acceptable as long as the posted restrictions are followed. Specific restrictions for the lots can also be found at www.dot.wisconsin.gov/travel/parking/index.htm. Snowmobilers should park their vehicles with due regard for available space and if a chosen lot is near full, please consider another location for parking. Park & Ride lots with nearby trail access are designated with this map symbol.

Other Park and Ride Locations

Many business places and other private/public locations are available for visiting snowmobilers to park, unload, and ride in Dane County. Please check some of the map ads and inquire locally for their locations.

Dane County Council of Snowmobile Clubs thanks the Dane County Land and Water Resources Department for their assistance and data that was used to prepare the base map, as well as their GIS assistance to accurately show the trail system and our commercial sponsors.

NOTICE TO ALL SNOWMOBILERS

It is YOUR responsibility to know if trails are open or closed.

Because of the large number of miles of trails in Dane County, numerous region and county-line crossings, and many trail intersections, it is not possible for ALL trail access points to be signed as OPEN or CLOSED.

BE SURE YOU CALL THE TRAIL HOT-LINE NUMBER (608) 242-4576 BEFORE YOU RIDE!

Trail openings/closings and maps are also available at www.dane-county.org and www.countyofdane.com/wrtparks/

Guidelines for Applicant

Complete this form for each bridge structure you are submitting a grant application for. Provide any additional documents not requested on application checklist to substantiate your points, including actual deeded easements.

Category		Possible Points	Actual Points
1	Condition of the Structure (max of 10 points)		
	Has a certified bridge inspection report that supports the project & demonstrates need (see example, must provide copy of report by August 1 for 2024 only)	10	
2	Permits (maximum points 4)		
	Consultation with DNR Water Mgmt Specialist has occurred & permit is likely, if needed	1	
	Permit in hand / Bridge already permitted	3	
3	Funding (maximum points 2) Are other funds already committed?		
	50% or greater from other funding source(s)?	2	
	11% - 49% from other funding source(s)?	1	
4	Length of Written Easements or Land Use Agreement (max points 5)(ch. 23.09(26)(am)1 WI Stats)		
	On public land (County, State, Federal)	5	
	10 or more year deeded easement on private land or other public land, for <u>all portions of that trail to the nearest road on each side of the bridge</u>	5	
	3-9 year deeded easement on private land or other public land, for <u>all portions of that trail to the nearest road on each side of the bridge</u>	4	
	10 or more year deeded easement on private land or other public land, for <u>just the bridge site</u>	3	
	3-9 deeded easement on private land or other public land, for <u>just the bridge site</u>	2	
	10 or more year land use agreement (LUA, not deeded) on private land or other public land	1	1
	3-9 year land use agreement (LUA, not deeded) on private land or other public land	0	
5	Miles Impacted – How many miles will need to rerouted if the structure is not replaced? Measured from nearest intersection on both sides of the bridge. (max 4 points)		
	Less than 20 miles	1	1
	20 miles or more	3	
	No other snowmobile trails connect. Explain:	4	
DEDUCTIONS			
6	County Active Project Deduction (maximum deduction 1 point) A snowmobile active project is one that has exceeded it's initial grant period.		
	Two or more active projects - deduct 1 point	-1	-1
GRAND TOTAL			1

Comments/Notes:

Dane County - Current Culverts - West Branch Sugar River - Ralson Property

**Dane County Parks
Snowmobile Trail Land Use Agreement Certification
Capital Trail Development Projects**

The following certification is required as a condition to obtain funding for capital development projects on public snowmobile trail. These projects require public ownership or an easement for at least 5-years from a private landowner (Note: 10-year or longer Easement is encouraged to support funding).

Landowners that allow for the snowmobile trail across their property are covered for liability by the Wisconsin Recreational Use Statute, Wis. Statute 895.52. Bridges are a resource of the Snowmobile Trail Program and may be removed if and when the recreational trail is relocated.

Byfield, Kurt A - DNR

From: Stinson, Joleen <Stinson.Joleen@danecounty.gov>
Sent: Monday, August 12, 2024 12:14 PM
To: Byfield, Kurt A - DNR
Subject: got the last bridge grant answer

**CAUTION: This email originated from outside the organization.
Do not click links or open attachments unless you recognize the sender and know the content is safe.**

Trail 48 bridge replacement:

1. Why are you going from a 16' to a 40' bridge?

To meet clearance requirements for a navigable waterway, the bridge + approaches have to be 40' total length.

2. Has an inspection been done?

Neither Dane County or the Mount Vernon Valley Riders have a current snowmobile bridge inspection on file.

Trail 21 culvert replacement:

1. Why not replace the existing culverts with culverts (vs the requested bridge)

The landowner told the Mount Vernon Valley Riders that they attempted to replace the culverts with new culverts and that they were not able to get permission/permits from the DNR waterways regulation program. The culverts are used for the landowner's farm crossing and snowmobile state corridor trail 21.

2. What are the dimensions on the existing culverts?

There are two 36" culverts side by side. They're 16' long.

3. Is an inspection available?

Neither Dane County or the Mount Vernon Valley Riders have a culvert inspection on file.
