Project Description Summary

The Deer Run Club would like to install a 4' x 20' culvert in an existing ditch. The groomer has been stuck in this ditch since the farmer ditched it in 2021. This ditch has a mapped floodplain, so we are matching the existing culvert size under the adjacent road both upstream and downstream. There is no reroute option around.

I certify that all maintenance land use agreements are on file.

Estimated Cost

Maintenance	Acquisition	Insurance	Development	Bridge Rehab.	Trail Rehab.	Total Estimated Cost
