Reference # Description of Line Item

Reference #	Description of Line Item
	Revenues (unassigned)
1	Prior year unused balance from Preliminary Fiscal Year End Report June 30, 2022 (FY2022)
2	Carryover encumbrances from FY2022
3	The report from FY2022 used preliminary information. This line adjusts the preliminary information to the actual balance per the final condition statement.
4	#C x \$30 less expenses (C = Active registrations during FY)
5	\$30 x dealer registrations less transaction expenses
6	Municipal registrations
7	\$30 x dealer registrations less transaction expenses
8	Snomobile Dealer Replacement Decals
9	Snowmobile Replacement Decals
10	Snowmobile Replacement Certificates
11	Antique Registrations
12	Antique Renewals
13	# x \$30 less transaction expense
14	# x \$50 less transaction expense
15	# X \$10 less transaction expense
16 17	\$5 per less transaction expense Interest distribution for snowmobile accounts
	Grant from a prior year that were either cancelled or cost less than the advance, so money was returned to the snowmobile fund.
18 19	Pending financial transactions
20	Finance/accounting item for licensing agents
21	Revenue from other sources.
22	Moves to segregated side because must be used for supplemental maintenance first.
	Expenses
23	Appropriation 574 Maintenance
24	Appropriation 574 Development
25	Appropriation 574 supplemental
26	Maintenance on DNR-managed trails
27	Development project expenditures on DNR-managed trails
28	Appropriation 361 law enforcement operations.
	Snowmobile Enforcement and Training Costs are moved onto this appn (370) if necessary. There are other appns within DNR that can pay for these costs.
29	Those other appns do not appear on this financial statement. In a low snow year, we may not see any charges here. That is not because there were no
	snowmobile enforcement and training costs, but rather a different appn covered those costs. The decision of how much cost to transfer here is made by
20	the Law Enforcement Management Accountant. Appropriation 552
30 31	All state administration: Staff from grants, registration, finance, technology services and DNR & DOA administrative charges.
32	Council expenditures during FY (Council's budget)
33	All state administration: Staff from grants, registration, finance, technology services and DNR & DOA administrative charges.
34	All state administration: Staff from grants, registration, finance, technology services and DNR & DOA administrative charges.
35	All state administration: Staff from grants, registration, finance, technology services and DNR & DOA administrative charges.
36	Amount committed to grants that haven't been completed at fiscal year end (maintenance and/or development)
37	For miscellaneous Adjustments
38	Preliminary adjusted program balance
	Assigned Revenue (must be used for certain purposes)
20	We spend gas tax funds first, the carryover hear is due to the NR trail pass supplemental surplus we're maintaining for a big snow year. This balance is
39	close to \$0.00 after a big snow year when supplemental is pro-rated.
40	Carryover encumbrances from FY2022
41	The report from FY2022 used preliminary information. This line adjusts the preliminary information to the actual balance per the final condition
42	statement.
42	Registrations from prior year x 50 x .309 = Gas Tax Transfer amount
43	#41 x .55 = Gas Tax Supplement amount Snowmobile Safety Education Revenue
44 45	#22 moved to the assigned revenue side for supplemental use
43	#22 moved to the assigned revenue side for supplemental use Expenses
46	Appropriation 575 Maintenance
47	Appropriation 575 Development
48	Appropriation 575 Supplementatl
49	Appropriation 569 Supplemental
50	Safety and Training expenses - can vary based on Law Enforcement accountant's discretion and lapse requirements
	Amount committed to grants that haven't been completed at fiscal year end (maintenance and/or development) - funds have been reserved on the
51	accounting system
52	Miscellaneous adjustments.
53	Used to determine available funds for development grants (August funding meeting)
