This hearing is being held via video conference and phone. Attendees accessing the meeting via the internet will be prompted to register before entering the public hearing. Reasonable accommodations or informational material in an alternative format will be provided for qualified individuals with disabilities upon request. To do so, make a request to Emma Cleveland using the contact information provided below. A request must include specific information and be received at least 10 days before the date of the scheduled hearing.

Availability of the Proposed SIP Documents

Background information and proposed documents related to these SIP submittals can be downloaded at <http://dnr.wi.gov/topic/AirQuality/Input.html> or hard copies can be obtained, free of charge, by contacting Emma Cleveland as indicated below.

Background

The DNR has prepared attainment plans to fulfill the Clean Air Act (CAA) SIP requirements for the Milwaukee, Sheboygan, and Kenosha nonattainment areas for the 2015 ozone NAAQS. These plans are being submitted to fulfill Wisconsin's Moderate-area attainment planning, emissions inventory, and control program assessment obligations under the CAA for these areas. These plans do not implement any new regulatory measures or programs.

Action Subject to Comment

The DNR is soliciting comment on these proposed SIP submittals.

Agency Contact and Submitting Comment

Comments on these proposed SIP submittals should be received on or before January 17, 2025. Written comments may be submitted by U.S. mail or email and will have the same weight and effect as verbal statements presented at the public hearing.

Questions or requests related to the hearing and written comments or questions on the proposed SIP submittals should be submitted to:
