#### Discussion of Draft White Paper

The group reviewed the *Draft White Paper – Vapor Contamination, Mitigation, and Stewardship Cleanup Fund* and the discussion and action of ad hoc group since May EAG meeting.

- Review of scoring matrices developed to target site specific, regulatory/compliance, public interest goals/factors. Discussion of important definitions, rationale and factors for scoring on each matrix.
- Review of issues addressed, issues unresolved, and recommendations.
- Recommendation that the ad hoc committee incorporate the outputs and recommendations in the issue paper.

#### Discussion of EAG and engagement

The group reviewed discussion from Oct. 2024 EAG meeting and considered a proposal for future meetings.

#### Action items/assignments for next meeting

- **Ad hoc committee:** Incorporate ad hoc group outputs and recommendations into issue paper *Draft White Paper – Vapor Contamination, Mitigation, and Stewardship Cleanup Fund*. Contact Mark Rutkowski (Mark.Rutkowski@shanwil.com) and Michael Prager (Michael.Prager@wisconsin.gov) if you are interested.
- **DNR:** Compile feedback on engagement discussions from all subgroup meetings for EAG action in January 2025.
