Comments

IOS app  
should be  
ready for beta  
testing in  
summer 2018.

Single-screen  
data entry for  
simple  
reporting:

Trip Date	2018-03-06		
Location	<input type="text"/>		
Species	Length (inches)	Sex	Fin Clip
Steelhead	21	NA	None
<i>Add Fish 2</i>			
	Your Name		

# Options for 2018

- Pen-and-paper recording for *Salmon Ambassadors*
- Web-based app for *Salmon Ambassadors*
- Try out new IOS iPhone app this summer
  - Measuring fish will not be required
  - Must check all trout and salmon for fin clips
  - Stats on fishing success will be displayed in app
