Will You Dine?

With the coming of spring everything is getting dressed up for summer. The mess hall has taken on the appearance of a dining hall in some hotel. The walls and ceiling have been painted a light ivory color with a corresponding black trim. Attractive curtains adorn the windows. New chandeliers have been installed to give the mess hall a "homey" atmosphere. An orchestra stand has been erected and evening "concerts" are held.

Shorty Scores

Ralph Piper proved himself a superb entertainer when he easily captured the coveted first prize in an Amateur Contest held Monday April 19 in the Crivitz H. S. auditorium. The other two prizes were awarded to the Crivitz H. S. Pipe and Drum Corps and the Crivitz Jr. Gorman Band placed 2nd and 3rd respectively. There were nearly 25 entries in the contest, the winners going to Coleman, Sunday night April 25 to appear in a similar contest. Eleven men from Camp Crivitz entered the contest. They were: Wendel Krohn, Harold Engles, Clyde Symons, Irvin Lynch, Stanley Zawila, Ralph Piper, Johnny Anderson, Ernest Siedschlag, Wallace Siedschlag, Eli Hilton, and Albert Kopp.

Flash!

Stanley Zawila, enrollee transferred from Camp DuBois to take over the duties of radio operator at Camp Crivitz. He is replacing "Ridg" Rutyna, who was transferred to Camp Blackwell to follow the same duties at that camp.

Since the time he arrived, Stanley has been developing a pretty red snozzola. Now that he has accomplished this amazing feat, it is out of style.
