*Please email Kristin Lambert kristin.lambert@wisconsin.gov prior to the meeting with your thoughts on the questions below. These questions specifically relate to the topic of the Verso mill closure. If we don't have time to address this during the meeting, we can make an alternate plan to discuss it.

- 🌲 How does the Verso mill closure impact the organization you represent?
- 🌲 What (if anything) do you feel the forestry community and WPFAC can or should be focusing on as it relates to the mill closure?

WPFAC Purpose: The Committee advises and recommends to the Wisconsin State Forester and Department of Natural Resources (DNR) concerning Wisconsin's suite of Private Forestry programs, including implementation of the Forest Stewardship Program, Forest Legacy Program, and other related cooperative private forestry programs.
