s. NR 25.10 RESTRICTED COMMERCIAL FISHING AREAS

(4) Restricted area permits. Permits allowing commercial fishing in restricted areas as described in subs. (1) and (2), or as required in s. NR 25.09, Wis. Adm. Code, will be issued as follows:

(a) Application criteria and procedure. 1. Applicants shall be licensed commercial fishers, or have contracts for the harvest of rough fish from outlying waters issued under ss. 29.62 or 29.625, Wis. Stats.

2. Applications shall be made on forms provided by the department, at least one week prior to commencing fish operations, unless otherwise authorized.

3. A permit shall be issued to an applicant meeting the criteria in this paragraph unless the department denies the application under par. (b) in writing, within 6 business days of receipt of the application.

4. Permits shall be reapplied for at least once each license year. The permit period may not extend beyond the end of the license year.

(b) Denial, revocation or temporary suspension of permits. 1. The department may deny, revoke, or temporarily suspend a permit applied for or issued under this subsection in whole or in part, as resource management requires, if one or more of the following conditions exists or are likely to occur:

a. Damage to fish habitat.

b. Excessive incidental catch of illegal fish, as defined in s. NR 25.09(5), Wis. Adm. Code.

c. Spawning concentrations of illegal fish.

d. Concentrations of recently stocked fish.

e. Concentrations of immature fish.

f. Presence of protected or endangered plants or animals as listed in ch. NR 27, Wis. Adm. Code.

g. Mortality of illegal fish resulting from capture in commercial fishing gear greater than or likely to be greater than 10% of the weight or number of the legal catch.

2. The department shall give notice of a denial, suspension, or revocation pursuant to provisions of s. 227.51(3), Wis. Stats. Any telephone notice of suspension shall be promptly confirmed in writing.

3. Any suspension exceeding 7 days shall be reviewed and approved by the department's district director, or their designee, within the first 6 business days of the suspension period. Any revocation, or suspension in excess of 25 days, shall be reviewed by the office of the Secretary, or its designee, with opportunity for the permittee to be heard. The revocation or suspension shall be reviewed within 10 business days of receipt of the permittee's request for opportunity to be heard. A permittee is not required to request to be heard by the office of the secretary prior to seeking judicial review.

4. A denial, suspension, or revocation of a permit under this paragraph shall not bar an otherwise qualified applicant from applying for permits for other locations.

If you believe that you have a right to challenge this decision, you should know that Wisconsin Statutes and Administrative Code establish time periods within which requests to review Department decisions must be filed. These time periods are as follows: for judicial review of a decision pursuant to; ss. 227.52 and 227.53, Wis. Stats., you have 30 days after service of the decision to file your petition for review. Some Wisconsin Administrative Codes sections provide for review of the department decision pursuant to s. 227.42, Wis. Stats. Review should generally be sought within 30 days of the service of the decision.

The respondent in an action for judicial review is the Department of Natural Resources. You may wish to seek legal counsel to determine if any of the above time periods apply to this decision. This notice is provided pursuant to s. 227.48(2), Wis. Stats.
