

Recycling Rule Revision: Overview of Changes for MRFs

MRF Stakeholder Meeting

Aug. 6, 2024

Recycling Rule Schedule Overview

Changes for MRFs: Operational Requirements

Minimum glass recycling rate of
12%

Maximum residual rate of 20%

Outdoor storage of unbaled
materials contained to prevent litter

Contingency plan requirements

Changes for MRFs: Reporting & Education

Reduced annual reporting elements

Materials delivered directly from municipality be inventoried as residential material

Provide contracted RUs and haulers with information on acceptable materials

Review educational material within 60 days of a request from RU

Identify MRF-produced educational materials are specific for that facility

Other

Adds haulers to existing entities (RUs and DNR) that must be notified of change of service

Notification is required as soon as practicable after unanticipated interruption of service of 48 hours or more or one that results in change of materials acceptance

Codifies guidance and existing practices related to beneficial reuse of glass and for facilities requesting residual disposal fee exemptions at landfills
