

Creating a Web Access Management State of Wisconsin User ID

User IDs are personal and should be treated as such; the ID is registered to a person not the business. Sharing a User ID or passing it onto the next employee may result in falsified reports and the closure of the account.

Each user who wants to look at, enter or submit data must have their own user ID in their name. Your user ID goes with you from job to job (you do not create another user ID if you take a new position or job) and your user ID can be used for work you do with all state agencies, not just the DNR.

For returning users looking to add additional roles to your account, please see the section below titled “Requesting Access/Adding a New Role.”

Step 1 of 3: Creating a user ID

Please navigate to the Wisconsin DNR homepage at dnr.wi.gov and click the magnifying glass icon near the top right-hand side of the page and search for “Switchboard” or enter the URL <https://dnr.wi.gov/topic/Switchboard>.

On the Switchboard homepage please click the “CREATE USER ID” button.

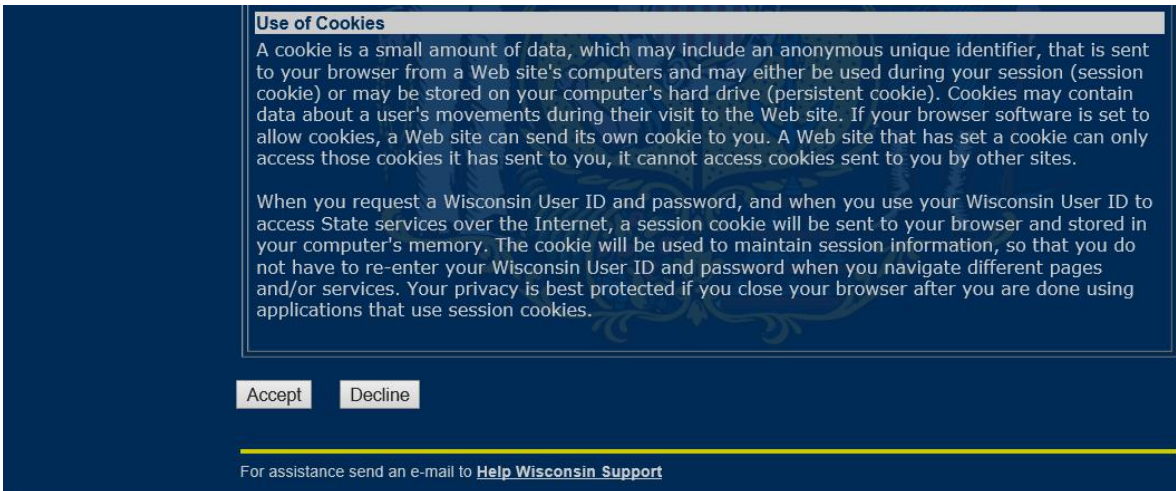

The screenshot shows the top navigation bar of the Wisconsin DNR website. The logo on the left reads "WISCONSIN DEPARTMENT OF NATURAL RESOURCES". The navigation menu includes: HUNTING, FISHING, PARKS, CLIMATE, ENVIRONMENT, FORESTRY, LICENSES, NEWS, ABOUT, CONTACT.

Below the navigation bar are four main service tiles:

- NEED ASSISTANCE?**

The URL at the bottom of the screenshot is <https://dnrx.wisconsin.gov/switchboard/capture.do>

Scroll to the bottom of the State of Wisconsin's Web Access Management System User Acceptance Agreement and click "Accept."

The next screen is where you create your user ID. **The only fields that are required are the fields indicated with a yellow asterisk (*).** This includes name, email, user ID and password, secret question and answer. **If errors occur, they will be indicated at the top of the page and must be corrected before you can continue.**

NOTE: This page is managed by the Department of Administration, not the Department of Natural Resources. If you are having trouble with this page there is a link for assistance at the bottom called "Help Wisconsin Support."

Once your account has been created you will receive an email. Follow the link in the email to complete the registration. You will then return to <https://dnr.wi.gov/topic/Switchboard>.

Welcome Josh,

Click the My Facilities & Roles link to see a list of the facilities that you are assigned to and the types of reports you can fill out for these facilities.

Click the Request Access link to add additional reports to the facilities you are assigned to, or to add new facilities to your list.

Click the Profile link to view and update your State of Wisconsin WAMS Profile and your DNR Switchboard Profile. Please note that the account information cannot change from one user to the next, each person must register their own account with the State of Wisconsin. Please keep both your State of Wisconsin WAMS Profile and your DNR Switchboard Profile up to date, they are two separate systems. The WAMS profile is used to verify your identity if you need to unlock your account and the Switchboard Profile is used by the DNR to send you notifications.

Step 3 of 3: Signing of the User Agreement Form

The final step is to print off your signature page. This is a paper copy of the terms and conditions **that must be signed, dated and mailed** to the address provided on the upper left-hand corner of the form; we cannot accept scanned or emailed copies. Once Step 2 has been completed, your new WAMS ID will soon become active, typically within one to three business days. Please note, if the department does not receive the signature page within 30 days, access will be revoked.

If you have any additional questions, please use the help link found on the Switchboard homepage.
