1. Sale boundaries marked in red paint, blue paint, or bounded by obvious roads. Blue paint indicates private property lines and shall not be crossed. Sale areas generally surrounded by privately owned lands.
2. **Cut all aspen, maple, ash, basswood, spruce, and fir that contain one or more 100 inch stick to a 4 inch top diameter.** Leave all other trees uncut and undamaged. Any observed cavity trees shall be left uncut.
3. Utilize all cut trees which contain one or more 100" stick to a 4-inch top diameter. Slash height must not exceed three feet in depth nor longer than eight feet in length and must be spread evenly over site.
4. Sale operations restricted to frozen or dry conditions. One timber mat crossing may be needed to cross an ash swale.
5. Landing construction should be minimal and be approved by sale administrator.
