The performance bond will be 15% of the total sale value. The contract end date is **June 30, 2027**

SPECIAL SALE CONDITIONS:

Equipment use is permitted during very dry or frozen ground conditions.

Operations in the portion of the sale within the Flambeau River Scenic Management Area (42 acres) is permitted during leaf off conditions (October 15th – March 31st).

Landings are required at approximate locations designated on map.

Parking equipment or decking wood is not permitted in the powerline right-of-way. The right-of-way is tree line to tree line.

The snowmobile trail is used for multiple sales. It is the responsibility of the contractors to determine logistics for hauling and road repair.

Three inches of snow will remain on the snowmobile trail, weather permitting.

Decking on snowmobile trail should be kept to a minimum. If decking on the trail, all slash and ends will be removed from the trail concurrently with each truckload.

The snowmobile trail may be used to access multiple sales. It is the responsibility of the contractors to determine the logistics for hauling and/or road repair.

Skid trail entrances on the snowmobile trail will be minimized.

All slash within 100 feet of the Flambeau River and the snowmobile trail shall be lopped and scattered to within 2 feet of the ground.

All additional restrictions listed in prospectus and standard contract apply unless specified.

For questions, contact Taylor Lockwood at Taylor.Lockwood@wisconsin.gov or (715) 332-4271 ext. 107

For sale inspection, call 715-332-5271 ext. 107 for the combination of the lock for the gate. Please do not go around gate.
