Special Conditions:

1. All pine products cut between April 1 and September 1 must be removed from the sale area within three weeks from time of cutting. Pine products cut during the remainder of the year must be removed prior to April 1 of each year.
2. Oak Wilt- Harvesting or skidding is allowed July 15- April 15. Trucking/ roadwork may be allowed but needs to be approved by administrator (or designee).
3. Cutting must be concurrent for all species.
4. Do not cut, knock down or utilize any dead trees.
5. Slash within 50 feet of all roads and trails must be lopped and/or scattered to lie within two feet of the ground and be pulled back 10' behind the tree line concurrently with cutting.
6. Whole tree utilization or biomass harvesting is not allowed.
7. Follow WI BMP's for water quality at all times.
8. The Snowmobile Trails must be kept free of debris, snow covered in winter, and left in good condition for vehicle traffic at all times. The trail shall be signed indicating logging activity if any activity occurs during periods that the snowmobile trail is open.
9. Additional roads and landings must be approved by the timber sale administrator (or designee) in advance of use.
10. Oswego Fishtrap Lake Lane has a 24 ton road limit, therefore, logging trucks will need to access the timber sale units from Fishtrap Lake Road or get permission from the Town of Boulder Junction if they wish to operate on Oswego Fishtrap Lane.
