Re: Racine Water Utility Customers by Class in Mount Pleasant

This memo provides the number of Racine Water Utility customer accounts in Mount Pleasant, Wisconsin. Table One shows the number of customers in each customer class for the period November 29, 2017 through February 8, 2018.

Table One: Customer Accounts in Mount Pleasant by Class

Customer Class	Number of Customers Accounts in Mount Pleasant
Residential Single-Family	5,579
Residential Multi-Family	349
Commercial	353
Industrial	33
Public Authority	7

Racine Water Utility's Service Sold by Rate Class report provided the numbers in Table One. The number of customer accounts is the number of residences, businesses, etc. to which the Racine Water Utility sells water. It is not the population served or the number of customer water meters.
